The United Nation’s Sustainable Development Goals. These 17 SDGs are integrated—they recognize that action in one area will affect outcomes in others, and that development must balance social, economic and environmental sustainability.

SDG	Description	Category	INITIATIVES
No Poverty	This involves targeting the most vulnerable, increasing basic resources and services, and supporting communities affected by conflict and climate-related disasters.	SOCIAL	
Zero Hunger	This involves promoting sustainable agricultural, supporting small-scale farmers	SOCIAL	

	and equal access to land, technology and markets. It also requires international cooperation to ensure investment in infrastructure and technology to improve agricultural productivity.		
Good Health and Well-Being	Multisectoral, rights-based and gender-sensitive approaches are essential to address inequalities and to build good health for all.	GOVERNANCE/SOCIAL	
Quality Education	Aims to provide equal access to affordable vocational training, to eliminate gender and wealth disparities, and achieve universal access to a quality higher education.	GOVERNANCE	
Gender Equality	Encouraging more women leaders will help achieve greater gender equality.	GOVERNANCE	The company's board of directors consists of three women, out of a board of 12 members. Diversity is passive.
Clean Water and Sanitation	Requires we invest in adequate infrastructure, provide sanitation facilities, and encourage hygiene. Protecting and restoring water-related ecosystems is essential.	ENVIRONMENT	
Affordable and Clean Energy	Provide clean and more efficient energy in all will encourage growth and help the environment.	ENVIRONMENT	

<p>Decent Work and Economic Growth</p>	<p>Promote sustained economic growth, higher levels of productivity and technological innovation. With these targets in mind, the goal is to achieve full and productive employment, and decent work, for all women and men.</p>	 <p>GOVERNANCE</p>	
<p>Industry, Innovation and Infrastructure</p>	<p>Bridging this digital divide is crucial to ensure equal access to information and knowledge, as well as foster innovation and entrepreneurship.</p>	 <p>SOCIAL</p>	
<p>Reduced Inequalities</p>	<p>These widening disparities require sound policies to empower lower income earners, and promote economic inclusion of all regardless of sex, race or ethnicity.</p>	 <p>GOVERNANCE</p>	
<p>Sustainable Cities and Communities</p>	<p>Making cities sustainable means creating career and business opportunities, safe and affordable housing, and building resilient societies and economies. It involves investment in public transport, creating green public spaces, and improving urban planning and management in participatory and inclusive ways.</p>	 <p>ENVIRONMENT</p>	

Responsible Consumption and Production	The efficient management of our shared natural resources, and the way we dispose of toxic waste and pollutants, are important targets to achieve this goal. Encouraging industries, businesses and consumers to recycle and reduce waste is equally important.	ENVIRONMENT	
Climate Action	These actions must also go hand in hand with efforts to integrate disaster risk measures, sustainable natural resource management, and human security into national development strategies.	ENVIRONMENT	
Life Below Water	Aim to sustainably manage and protect marine and coastal ecosystems from pollution.	ENVIRONMENT	
Life on Land	Urgent action must be taken to reduce the loss of natural habitats and biodiversity which are part of our common heritage and support global food and water security, climate change mitigation and adaptation, and peace and security.	ENVIRONMENT	
Peace, Justice and Strong Institutions	Promoting the rule of law and human rights are key to this process, as is reducing the flow of	GOVERNANCE	

	illicit arms and strengthening the participation of developing countries in the institutions of global governance.	
Partnerships for the Goals	Promoting international trade, and helping developing countries increase their exports is all part of achieving a universal rules-based and equitable trading system that is fair and open and benefits all.	GOVERNANCE
